Inspector Steve Thomas

From the Detachment Commander

With the summer of 2024 behind us, the trees beginning to change colour, the days getting shorter and winter in the not-so-distant future; I would like to take this moment to remind everyone now is a good time to make sure your vehicle is safe for the coming weather and consider installing winter tires on your vehicle. Please drive according to the weather conditions and do not drink and drive.

Crime

Crime Unit

Supervisor: Acting Detective Sergeant, Christine Millson

During the month of September, the Crime Unit was involved in several arson investigations along with unrelated arsons that were reported in the Centre and South Wellington areas of the county. Arson is the act or crime of willfully, wrongfully and unjustifiably setting property on fire. Arsons are difficult investigations due to the complexity of identifying the responsible party and due to most physical evidence being consumed.

Members in the unit attended various types of training including crime related courses, Major Case Management and Forensic Interviewing Techniques. As well, Detective Constable Jacob Unger was successful in obtaining a Crisis Negotiator role within the organization and attended the introductory course and was utilized in the region already in his role.

Community Street Crime Unit

Supervisor: Detective Sergeant, Jeffrey Dudley

September has been a steady month for Community Street Crime Unit (CSCU). Wellington County CSCU continues to support the Crime Unit and frontline investigations where possible.

As part of our commitment to continuous learning, CSCU Members attended various training course and workshops within West Region. The officers bring back knowledge they can share with front line, and it has provided them with additional tools to utilize during their investigations.

CSCU assisted frontline members with the identification of a suspect from a theft occurrence. Members of the Wellington County OPP Traffic Unit conducted a traffic stop and as a result the suspect was apprehended. The suspect was charged with driving related offences and theft. The suspect's vehicle was towed and impounded for 45 days due to driving related offences.

CSCU assisted neighboring CSCU units with search warrant executions and investigations as part of the ongoing commitment to public safety and reducing harm in our communities.

Wellington CSCU continues to prioritize local crime trends, the opioid crises and targeting local people identified in property thefts. CSCU members are committed to continuous learning and are attending training when time permits. CSCU has developed local training, mentoring initiatives for front line members to promote officer safety and enhance their local knowledge on the current drug and property crimes trends in the area.

“Thank you again for joining the New Resident Reception last week and thank you for your feedback. We are thrilled with the way it went for our first one and we appreciate your patience with our learning curve! The feedback from the new residents was very positive and they seemed to appreciate the 16 topic tables we invited and didn’t feel like we missed any topics, which is great!

Stay tuned to see if Council wants to repeat this in the New Year. We will be in touch!”

Safe Communities Wellington County

Safe Communities Wellington County launched Social Media and Radio Campaigns to raise awareness about the importance of sharing the road and promoting mental wellness. These efforts included engaging graphics and informative content shared across Facebook, Twitter, and Instagram, highlighting safe driving practices and mental health resources. We Collaborated with The River to broadcast messages about road safety and mental wellness, reaching a broader audience in the community. We attended the Centre Wellington New Residents Reception to connect with newcomers and gauge interest in volunteering for Safe Communities Wellington County. The event provided an excellent opportunity to engage in discussions about community safety and volunteer opportunities.

In preparation for Safe Communities Day, we reached out to elementary school principals across Wellington County to disseminate information about the event. Sending detailed information packets outlining the day's activities and objectives and encouraging participation from students and staff to foster a culture of safety and community engagement.

Auxiliary Unit

Unit Commander: Auxiliary Staff Sergeant J. SWAN

Liaison: Provincial Constable Kyle Draves

We had members assist with foot patrols at the Fergus Fall Fair this month as well as a car show in Elora. In addition, we had members support with Friday the 13th in Port Dover and with an unsanctioned car rally in Grand Bend.

Jackie Andrews from the Centre Wellington Food Bank sent along her thanks for our assistance at the food drive we had participated in at the end of August.

PC Kyle Draves stepped down as the Auxiliary Liaison Officer as he has moved onto another role with the In-Service Training Unit. His support and leadership greatly contributed to the current strength of the unit. We welcome PC Stephen Gilfillan as our new Liaison Officer. He is very familiar to some of our members as a former Wellington Auxiliary Constable.

Training this month consisted of reviewing uniform and deportment of members. We also worked through some scenario training. The main goal of this month's training was working on integrating all of our new members into our training and platoon structure. We also started some pre-planning for events coming in November and December as these are typically busy months for the unit.

Crime Stoppers

Sarah Bowers-Peter, Program Coordinator CSGW

Crime Stoppers Guelph Wellington (CSGW) has had an overwhelmingly positive response from schools within Wellington Catholic District School Board and Upper Grand District School Board to the new presentation “The CS (Cyber Safety) Presentation”. The presentation was launched September 9th and within days, there were more than two dozen requests from schools throughout the region. At time of writing, there are 37 individual requests, most with multiple classrooms looking for the information. Thanks to the support of the local Boards, this is also sparking interest in other CSGW offerings, specifically the 5 Tips, 5 Ideas, 5 Signs presentation for parents and guardians.

Shredding Events were successful once again. The Mount Forest event set another record, raising \$3,250 for CSGW. The awareness around preventing identity theft and reducing clutter were also benefits of this fundraiser. The Guelph event totals are being confirmed at time of writing. These events would not happen without the support of Deryck West – Desjardins Insurance Agent and Robert J. Cottell & Associates of Mount Forest along with the Wellington North Fire Service who permit the use of their parking lot, along with Skyjack Inc. who host and sponsor the event in Guelph. Sponsors cover the cost of the shredding truck and allow all proceeds to go to CSGW.

Fraud Talk continues to be a popular request for CSGW and Victim Services Wellington. It has been decided that if there is interest in this message, it will continue to be offered. Fraud Talk was developed through a grant from the Ministry of the Solicitor General which ended in March 2024.

CSGW finally received the awards from the Ontario Association of Crime Stoppers. In June the program was awarded in five categories, Best Radio, Best Video, Best Digital Effort, Best Print and for an amazing 9th year in a row, the Marla Moon Memorial Award of Excellence. These awards were announced through www.csgw.tips and our various social media platforms. We thank our media partners and agencies that work with us, resulting in these provincial awards.

Court

Supervisor: Sergeant Shaugn Rogers

Wellington County Court Bureau highlights:

- Provided ongoing direction for officers to streamline disclosure of evidence and to clarify court procedures including firearms seizures and court attendance.
- Improving our tracking of individuals sentenced to Probation and/or Conditional Sentence Orders to properly monitor these persons in Wellington County.
- Provided direction for entry and removal of wanted persons captured on CPIC due to a new automated warrant flagging system. The intent of this is to provide accurate capturing of data on a new "Wanted Persons Dashboard" being developed across the province.

Personnel & Acknowledgements

Wellington County OPP received two acknowledgements at the OPP General Headquarters general mailbox this month. Unfortunately, the officers names were not provided, but below are the excerpts from the submissions.

“My 78 MGB had a sudden loss of power on Tower St., Fergus. As I was pushing it off the road, two of your finest stopped to give me a hand.

Thank you officers.”

“I would like to pass my appreciation for the officers that helped with a roadside Emergency last night. They provided a safe zone while changing a flat tire on (what at the time I didn't notice to be a very dangerous area) County rd 18 and 5th side is full of memorials and I am very thankfull to not need one. The officers were very friendly and helped lower the stress of the situation. Please pass along our appreciation for the support that was provided. We are very fortunate to have someone watching our backs in times of need.

I am sorry to not have saved there names or badges but if possible please pass along our gratitude.”

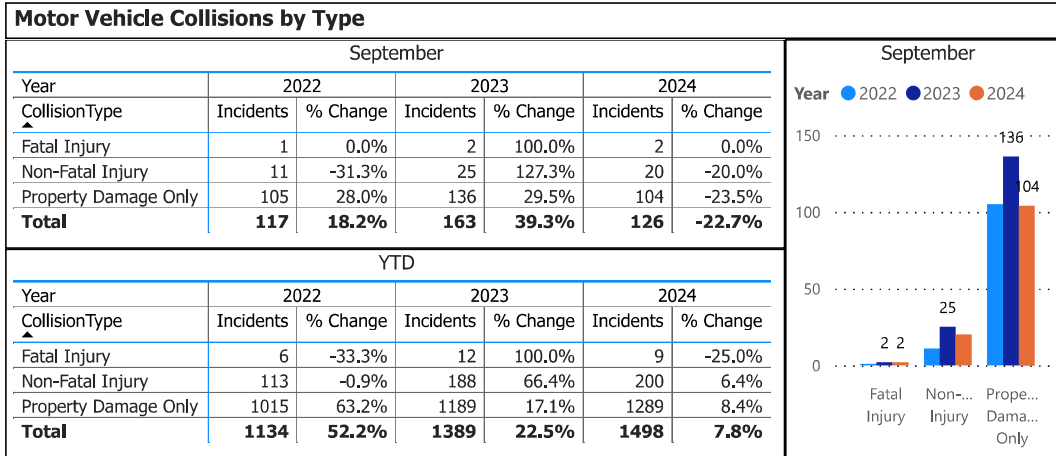

Report Summary

September was marked by an increased emphasis on road safety within Wellington County OPP. Thousands of children returned to the classroom this month making safe driving imperative to avoid unnecessary tragedies. The back-to-school campaign is an important time to remind and educate drivers of the need for traffic safety.

As we drive to work and social events every day, many of us do not think about how our driving habits can affect those around us, the reality is, our driving habits can have a drastic effect on everyone around us. A tragedy can occur in the blink of an eye. We cannot stress enough, please slow down, keep your eyes on your surroundings, do not drink and drive, let's all arrive at our destination safely.
