Project Title: Developing a Highway 401 to Lake Huron regional EV
charging network
Application Number: GMF 17831

Dear Warden Kelly Linton and Members of Council:

On behalf of the Green Municipal Fund (GMF) Council and FCM's Executive Committee, I would like to congratulate the County of Wellington on its successful funding application for the above-noted initiative.

It is my pleasure to confirm that the County of Wellington has been approved for a grant in the amount of up to \$35,150.

In the near future, Kamal Kakish will contact the County of Wellington to finalize the agreement for this funding. FCM's obligation to fund the above-noted initiative will only become binding once the agreement is signed.

FCM, in partnership with the Government of Canada, oversees public announcements regarding GMF-funded initiatives. In the coming weeks, our media relations team will contact the County of Wellington to discuss the process for a public announcement. Until that time, before making any public statements related to the status of the application process for GMF funding (with the exception of reporting to Council), please contact the FCM media team at 613-907-6395 or by email at media@fcm.ca.
