New to the budget documents this year is the addition of performance measures listed by programme area (attachment b). This is a new requirement for budget documents as part of the Government Finance Officers' Association (GFOA) best practices and awards programme. In order to progress towards accomplishing the County's Strategic Action Plan and the programme area's goals and objectives, a series of performance measures are presented for information. As this is the first year presenting this information, performance measures will be under review by County staff to ensure they support the assessment of departmental goals and objectives. Feedback on this area is welcome.

Recommendation:

That the attached 2022 Operating and Capital Budget and 2022-2031 Ten-Year Plan for Police Services be approved and forwarded to the Administration, Finance and Human Resources Committee.

Respectfully submitted,
