

Figure 1. Speed Test Campaign Ad.

# **SLOW internet? NO Internet? GOOD Internet?**

This past year has taught us all that a connection to the internet is essential, and the strength of your signal matters. In order to qualify for improved or expanded service, we need to measure existing service levels and you can help.

**Test your home or business connection and complete our internet service survey – HELP US ADVOCATE FOR YOU.**

## **QUESTIONS?**
