Report:

The purpose of this report is to request delegated authority in order to submit the Investment Plan required by the Province in order to commit the funding for the National Housing Strategy 2022-23 Allocation.

- On May 2nd, staff received confirmation of funding allocations for the National Housing Strategy 2022-23 Allocations which includes the Canada-Ontario Community Housing Initiative, the Ontario Priorities Housing Initiative and the Canada-Ontario Housing Benefit programmes.
- Staff previously informed Committee and Council of these allocations in committee report HS-21-29 "2022-23 Federal Provincial Housing Funding" back in October 2021 but did not request delegated authority at that time.

Respectfully submitted,
