

COUNTY OF WELLINGTON

# COMMITTEE REPORT

To:Chair and Members of the Administration, Finance and Human Resources CommitteeFrom:Donna Bryce, County Clerk

**Date:** Tuesday, September 20, 2022

Subject: Joint Compliance Audit Committee

#### **Background:**

The purpose of this report is to establish a Joint Compliance Audit Committee for the 2022-2026 Term of Council. Section 88.37 of the Municipal Elections Act (the Act) requires municipalities to establish a Compliance Audit Committee (the Committee) prior to October 1<sup>st</sup> of an election year.

The Committee is Joint between the County and the member municipalities. The Clerk from each municipality will bring a similar report to their Council to establish the Committee.

An elector who is entitled to vote in an election and believes on reasonable grounds that a candidate has contravened a provision of the Act relating to election campaign finances may apply for a compliance audit of the candidate's election campaign finances.

The mandate of the Committee is as follows:

- Consider the request for a compliance audit and determine whether the request should be granted or rejected;
- If the request is granted, appoint an auditor;
- Review the auditor's report and determine whether legal action should be taken; and
- If the auditor's report indicates that there were no apparent contraventions, and if there appears that there were no reasonable grounds for application, the Council is entitled to recover the auditor's costs from the applicant

The Terms of Reference for the Committee is attached.

When a municipality receives an application for a compliance audit, the Clerk of that municipality will call a meeting of the Committee and will prepare the necessary notices, agendas, minutes, etc. Any costs associated with the holding of meetings, decisions of the Committee and audits conducted will be the responsibility of the municipality requesting the services of the Committee.

Compensation to Committee members for compliance audit reviews related to County Councillors will be at the per diem provided to citizen members on County Boards and Committees.

The Committee members on the previous term have agreed to stand for re-appointment to the Committee with the same term of office as Council. The members, Jim McQueen, Wes Snarr, Douglas Aud and Joseph Servos, were appointed based on applications submitted and reviewed by a selection committee of Clerks to ensure the members had knowledge of the Act's campaign financing rules.

#### **Recommendation:**

That the Terms of Reference for a Joint Compliance Audit Committee for the County and its member municipalities be approved; and

That staff be directed to prepare the necessary by-law to establish a Joint Compliance Audit Committee for the 2022-2026 Term of Council.

Respectfully submitted,

Donna Bryce County Clerk

# COMMITTEE REPORT

To:Chair and Members of the Administration, Finance and Human Resources CommitteeFrom:Jackie Osti, Manager of Purchasing and Risk Management ServicesDate:Tuesday, September 20, 2022

Subject: 2023 Vehicle and Equipment Purchases

### **Background:**

Staff entered direct negotiations with two dealerships to place 2023 vehicle orders (below) after experiencing a lack of responsiveness in past vehicle tendering processes. The County Purchasing policy allows single source purchases *"if conducting a competitive process may be determined to be impractical"*. Due to lack of market availability, the intended purchase of electric pickup trucks for the SWS division was not possible.

Additionally, staff received a direct quote from Bobcat of the Tri-Cities utilizing the Canoe procurement programme (AMO) which the County participates in.

Placing the orders now will ensure timely delivery to meet operational requirements and guarantee that the vehicles and equipment are in the build queue.

Vehicle prices reflect the Provincial Vendor of Record (VOR) discount and the Bobcat price reflects a 22% discount through Canoe Procurement Group of Canada.

| Bobcat of the Tri-Cities Ltd., Kitchener | Bobcat UW56                       | \$83 <i>,</i> 526.95 |

### **Recommendation:**

That the quote for the supply and delivery of one van as specified for Property Services be awarded to Reliable Motors (1992) Ltd., of Fergus, Ontario at the total amount of \$60,900.00 exclusive of HST @ 13%: and

That the quote for the supply and delivery of two pick-up trucks as specified for the Solid Waste Services division be awarded to Barry Cullen Chevrolet of Guelph, Ontario at the total amount of \$127,891.00; and

That the quote for the supply and delivery of one bobcat as specified for The Brad Whitcombe Green Legacy Nursery be awarded to Bobcat of the Tri-Cities of Kitchener, Ontario at the total amount of \$83,526.95; and

That the 2023 Vehicle and equipment capital budget be updated accordingly; and

That Purchasing and Risk Management staff be authorized to issue the necessary purchase orders.

## COUNTY OF WELLINGTON

## COMMITTEE REPORT

| То:      | Chair and Members of the Administration, Finance and Human Resources Committee |
|----------|--|
| From:    | Ken DeHart, County Treasurer   |
| Date:    | Tuesday, September 20, 2022  |
| Subject: | Commodity Price Hedging Agreements   |

Background:

Section 7(1) of the Ontario Regulation 653/05, as amended states that if a municipality has commodity price hedging agreements in place, the Treasurer of the municipality must prepare and present to Council once every fiscal year a detailed report on those agreements. The report must contain the following information:

- 1. A statement about the status of the agreements during the period of the report, including a comparison of the expected actual results of using the agreements.
- 2. A statement by the Treasurer that those agreements are consistent with the municipality's statement of policies and goals related to the use of financial agreements to address commodity pricing and costs.

The County entered into hedging agreement for natural gas and electricity procurement through the Local Authority Services Limited (LAS), a wholly owned subsidiary of the Association of Municipalities of Ontario (AMO). County Council approved the Commodity Price Hedging Policy through adoption of Bylaw 4858-06 dated September 26, 2006.

### **Purpose of Hedging**

Hedging allows the County to purchase electricity at a fixed price for a fixed term providing budgeting security. Although this strategy does not benefit directly from falls in the electricity prices which may be passed along to customers it provides long-term stability in keeping prices as low as possible.

### LAS Electricity

The County along with 135+ municipalities are members in the LAS Electricity Procurement Programme whereby LAS removes the electricity account from the government rate plan and enrolls it into their programme.

LAS allows a maximum hedge level of 75% and the County's hedge level is 65%. The balance of electricity is calculated using spot market electricity rates. Streetlight accounts are billed using Time of Use (TOU) electricity rates to capitalize on off-peak electricity prices.

### LAS Natural Gas

LAS has maintained lower natural gas rates than Enbridge since 2018 to present. LAS collects more revenue through the set programme rate than is required to run the programme and rebates it back to participating municipalities.

Over the last 20 years the LAS Natural Gas Procurement Programme has used Edison Energy to execute a four-year natural gas hedging strategy using an aggregated tender process which combines fixed and indexed pricing contracts.

### **Financial Implications**

### LAS Electricity Procurement Programme

LAS provided a detailed Electricity Commodity Cost Review for 2020 and 2021 summarized in the table below. The total actual annual electricity savings in 2020 is 2 % or \$54,154 and in 2021 is 5 % or \$91,905 when compared the prevailing rates applied by government rate plan.

#### LAS Natural Gas Procurement Programme

The table below provides a comparison of Enbridge (South Region) rates to LAS Procurement Programme rates from 2018 to 2021. County facilities (excluding rent-geared-to-income "RGI" properties) are enrolled in the LAS programme. RGI properties are automatically placed on the Housing Services Corporation (HSC) natural gas contract as provincially mandated. Note: natural gas rates are typically published every quarter (LAS/Enbridge) and the table below shows the average annual rate.

| LAS                   | Effective Price<br>(¢/m³) | Enbridge<br>(South Region) | Price (+/-) |  |  |
|-----------------------|---------------------------|----------------------------|-------------|--|--|
| 2021 Annual Avg. rate | 10.42                     | 14.29                      | 3.87        |  |  |
| 2020 Annual Avg. rate | 9.54                      | 12.66                      | 3.12        |  |  |
| 2019 Annual Avg. rate | 10.60                     | 16.20                      | 5.60        |  |  |
| 2018 Annual Avg. rate | 11.90                     | 15.00                      | 3.10        |  |  |

### LAS Benefits

- Fixed annual pricing.
- Leveraged purchasing power with aggregated requirements of participating municipalities.
- Annual rebates (forecast vs actual prices) calculated on a percentage of each members usage.

#### **Concluding Statement**

All commodity price hedging agreements are consistent with the County's statement of policies and goals. Financial agreements are administered by Local Authority Services (LAS) and address commodity pricing and reported results for the fiscal years 2020 and 2021.

### **Recommendation:**

That the Commodity Price Hedging Agreements report for fiscal years 2020 and 2021 be received for information.

| Wellington North | \$19.5M in supplementary residential assessment for 2022 |

As of September 15 the in-year weighted assessment roll used for tax rate setting purposes has increased by 1.25% as shown in *Schedule A, Table 2*. Staff will continue to work with MPAC to identify and target properties to be added to the roll before year-end.

### **Reassessment Update:**

As previously announced, the 2021 province-wide reassessment update had been put on hold by the Ministry of Finance to provide a measure of stability to property owners and municipalities during the COVID-19 pandemic. This means that the current 2016 base year valuations have been frozen and will remain at their destination CVA until at least the 2024 taxation roll. The Province has not announced when the base year reassessment is to take place. Current property values will only change as a result of new construction, additions or improvements, new business or if the use of a property warrants a change. In preparation for the update, MPAC continues to maintain their assessment database and monitor sales activity in relation to market values they have standing-by ready to implement.

Postponing the 2021 reassessment means that Wellington County and our member municipalities will not be experiencing the annual phased-in CVA growth on the upcoming assessment and taxation roll. The final November in-year weighted assessment growth is what we can expect along with a few minor year-end updates that will only appear effective January 1, 2023.

### **Assessment Appeals:**

A primary focus of the Assessment Base Management programme is to monitor and actively participate in assessment appeals when deemed necessary. In addition to the remaining aggregate appeals, the following *high* priority appeals based on total assessment at risk are currently active:

| Appellant                  | Municipality         |  |  |  |
|----------------------------|----------------------|--|--|--|
| Coldpoint Properties Ltd   | Guelph/Eramosa       |  |  |  |
| Mammoet Crane (Assets) Inc | Puslinch             |  |  |  |
| Transportation Ministry    | Puslinch (Hwy 401 W) |  |  |  |
| Transportation Ministry    | Puslinch (Hwy 401 E) |  |  |  |
| TG Minto                   | Minto                |  |  |  |
| Canerector Inc             | Puslinch             |  |  |  |
| Pier Property Inc.         | Puslinch             |  |  |  |
| 875 Properties Ltd         | Centre Wellington    |  |  |  |

With assessment values remaining static, many of the appeals filed at the beginning of the assessment cycle have now been settled or closed. Staff have observed a number of tax agents soliciting new clientele for a second wave of appeals. This results in new appeals being filed even though we have entered the sixth year of a four-year assessment cycle. Of the priority appeals tabled, four of the complaints were filed in 2021/22 (including TG Minto for a second round).

As these proceedings continue to progress the County will be submitting Responses to the Statement of Issues (RSOI), requesting property inspections when appropriate, participating in case conferences and hearings should they advance to those stages.

The County will continue to work alongside MTAG Paralegal Professional Corp. and Lerners LLP and participate in any appeals that pose a significant risk to the assessment base and/or present any potential trends for loss in the future.

### **Recommendation:**

That the 2022 Supplementary Taxes and Weighted Assessment Report be received for information.

Respectfully submitted,

Le Relta

The County currently holds a GIC investment with Meridian Credit Union exceeding 2 years in duration. In accordance with the Municipal Act (O.Reg 438/97) the County attained the required documentation outlined in the Act from Meridian Credit Union within 30 days before the day the investment was confirmed. The details of the investment are provided below:

#### **PPN and Equity Fund**

To date in 2022, the County purchased an additional 6 separate Principal Protected Notes (PPN) with the intention of continuing the laddered approach to maturities that is adhered to in the purchase of long-term bonds. The PPNs are deposit notes with varied maturities that entitle the investor to repayment of the principal amount at maturity, in addition to the potential to receive variable interest linked to the price performance of an equity index or portfolio of blue-chip companies depending on the investment.

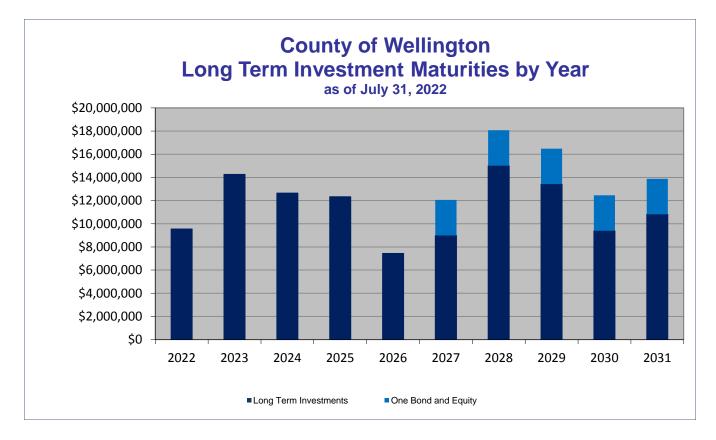

In 2022 there have been two PPN investments called based on the parameters of the original purchase. These investments present the first insight into the returns on Principal Protected Notes first purchased in 2018 during a period of historically low interest rates. The two investments provided returns of 4.38% and 4.5% respectively, which exceeds yields that were being offered on long term investments during the same period. The total current investment in PPN's in the investment portfolio currently sits at \$19.5 Million.

The Equity portfolio is fully-liquid if funds are needed but the portfolio objective has been developed for longer term funding needs such as infrastructure and capital asset maintenance and remediation reserves. Staff have invested \$2 million in additional County funds into the portfolio in 2022 when interest rates for the long-term bonds remained low. Currently the balance invested in this portfolio on July 31, 2022 had a market value of \$9,837,151.

#### Commentary

The County's total investment portfolio is \$141.1 million, which is about \$24.9 million higher than the balance as of December 31, 2021. County staff have been proactive in seeking out investments during 2022 as interest rates have increased dramatically over a short period of time. Investment yields are currently at levels not seen within the last 10 years. The County's approach of keeping a shorter average term to maturity in recent years now presents an opportunity to purchase higher yielding bonds within the improved interest rate environment.

The chart below shows long-term maturities by year as of July 31, 2022. The Canadian Corporate Bond Portfolio and Canadian Equity Portfolio have been shown maturing during the 2027-2031 period as the intention of these funds is to hold them for a period of 6-10 years. However, actual withdrawals will vary.

### **Recommendation:**

That the County Treasurer's report re: Cash Holdings and Investment Portfolio as of July 31, 2022 be approved.

Ken DeHart, CPA, CGA County Treasurer

## COUNTY OF WELLINGTON

## COMMITTEE REPORT

| То:      | Chair and Members of the Administration, Finance and Human Resources Committee |
|----------|--|
| From:    | Susan Farrelly – Director of Human Resources                                   |
| Date:    | September 20, 2022   |
| Subject: | National Day for Truth and Reconciliation - September 30, 2022                 |

#### Background

On June 3, 2021, the federal government passed a law which made September 30<sup>th</sup> a federal statutory holiday called the National Day for Truth and Reconciliation. This law is in response to the Truth and Reconciliation Commission of Canada: Calls to Action #80 which urged the federal government to create a statutory holiday to commemorate survivors, their families and communities. The day has been created to give everyone an opportunity to recognize and commemorate the legacy of residential schools, which more than 150,000 First Nations, Métis and Inuit children were forced to attend between the 1870s and 1997.

The date of September 30 has additional significance due to being recognized as Orange Shirt Day which is intended to raise awareness of the individual, family and community inter-generational impacts of Canada's residential schools, and to promote the concept of "Every Child Matters". The orange shirt is a symbol of the stripping away of culture, freedom and self-esteem experienced by Indigenous children over generations.

#### National Day for Truth and Reconciliation at the County of Wellington

The County of Wellington's Indigenous Advisory Committee (IAC) has recommended that September 30, 2022 be a day of learning and reconciliation for County employees. This also aligns with Truth and Reconciliation Commission of Canada's Call to Action #57 calling upon governments to provide education to public servants on this history.

At the County of Wellington, the following initiatives are occurring in recognition of September 30 as National Day for Truth and Reconciliation in conjunction with the IAC:

- A County-wide email will be sent out on the morning of September 30 with links to videos and educational resources to support County staff in learning about Canada's Residential School system. The email will also contain links to other County efforts on the subject – such as a reading list of Indigenous authors through the Libraries: <u>Reconciliation Resources - CEYD | EYPRC - Wellington County</u>; and
- Promotion of Indigenous Canada training to all County of Wellington employees. This training comprises
  of a 12-lesson Massive Open Online Course (MOOC) from the Faculty of Native Studies at the University
  of Alberta that explores the different histories and contemporary perspectives of Indigenous peoples
  living in Canada. From an Indigenous perspective, this course explores complex experiences Indigenous
  peoples face today from a historical and critical perspective highlighting national and local Indigenoussettler relations. Indigenous Canada is for anyone with an interest in acquiring a basic familiarity with
  Indigenous/non-Indigenous relationships.

While this course is free, there is a small fee to obtain the certificate of completion. The County of Wellington has approved the cost to obtain this certificate; and

- 10 copies of Phyllis' Orange Shirt by Phyllis Webstad will be given away to County employees in a draw; and
- Information shared with County employees for anyone who is seeking an ethically sourced Orange Shirt Day T-shirt (or pin) to explore the following links of community partners who may be able to assist:
  - **The Healing of the 7 Generations**: <u>Orange Shirts | The Healing of The Seven Generations Shop</u> (square.site)
  - Anishnabeg Outreach: Provides a beaded Orange Shirt pin through a sponsorship program with local Indigenous beaders who are trying to grow their business: <u>Orange shirt pin sponsorship</u> <u>program – Anishnabeg Outreach (aocan.org)</u>
  - Orange Shirt Society: where you can shop for Orange Shirts and visit the video links to Phyllis Webstad (the woman who, as a child, had her orange shirt removed from her upon entering residential school). They are excellent educational resources if you are looking to understand more or want to share with community members looking for information: <u>WELCOME</u> (orangeshirtday.org)
