

COUNTY OF WELLINGTON

COMMITTEE REPORT

To: Chair and Members of the Roads Committee
From: Don Kudo, P. Eng., County Engineer
Date: Tuesday, April 11, 2023
Subject: **Town of Erin Wastewater System Project – March Update**

Background:

The Town of Erin has provided the attached presentation dated March 21, 2023. As noted in previous committee reports, the construction of the Town's wastewater system forcemains and sewers will impact a number of County roads:

- Trafalgar Road in Hillsburgh (Wellington Road 24) - installation of a Gravity Sewer
- Main Street in Erin (Wellington Road 124) - installation of a Gravity Sewer
- Wellington Road 52 - installation of Sanitary Forcemains and Effluent Sewer
- Winston Churchill Blvd (Wellington Road 25) – installation of Effluent Sewer and Outlet at the County's West Credit River Bridge (Bridge No. 025072)

The attached presentation provides updated information with respect to project details and dates related to the construction on these County roads.

Recommendation:

That the report, Town of Erin Wastewater System Project – March Update, be received for information.

Respectfully submitted,
