- Electric Vehicle definition was added.
- Electric Vehicle charging station was added.
- Occupant definition was added.
- Owner definition was added.
- Private Property definition was added.
- Section 4.2 Private Property Enforcement was added.
- Section 9.41 No person shall park a vehicle in an electric vehicle charging station that is identified by an authorized sign that satisfies the prescribed requirements unless the vehicle is an electric vehicle and the vehicle is attached to the station charging equipment.
- Section 9.42 No person shall park a vehicle on a highway in such position as will prevent the removal of any other vehicle previously parked.
- Section 9.43 No person shall park a vehicle on a highway on the inside or outside curve portion of an angle bend from the beginning of curve to the end of curve.
- Section 9.44 No person shall park or leave a vehicle on private property without the consent of the owner or occupant of the property.
- Section 10.7 No person shall stop a vehicle on or over a sidewalk.
- Fines have increased to \$35.00 early payment and Set fine of \$45.00 for all infractions excluding Section 9.32 No person shall park a vehicle upon a highway or on a municipal parking lot or on private property in an accessible parking space unless that vehicle is transporting persons with disabilities and also displays a valid accessible person parking permit issued by the Ontario Ministry of Transportation, which remains at the Set Fine amount of \$300.00.

**Recommendation:**

That Parking By-law 5000-05 be repealed and replaced with By-law 6000-23; and

That the Set Fines be increased and filed with the Ministry of the Attorney General.
