**To:** Chair and Members of the Planning Committee  
**From:** Zach Prince, Senior Planner  
**Date:** Thursday, June 08, 2023  
**Subject:** Kissing Bridge Trailway Annual Report

---

### 1.0 Purpose

The purpose of this report is to receive the 2022 Kissing Bridge Trailway Annual Report.

### 2.0 Kissing Bridge Annual Report

The annual report for the Kissing Bridge Trail is normally presented in the Spring of each year. The 25<sup>th</sup> Annual Report is attached for information and highlights some of the main events and initiatives of 2022. Highlights include ash tree removals along the length of the trail, tree planting in Ariss with additional tree planting occurring in 2023.

The Regional Municipality of Waterloo and the County of Wellington jointly appoint members to the Kissing Bridge Trailway Advisory Board. There are currently a number of vacancies on the Board. While Staff assist the Board with seeking new members, it has been very challenging these last few years for the Advisory Board to find committed volunteers.

### Recommendation:

That the Kissing Bridge Trailway Annual Report be received for information.

Respectfully submitted,
