Greetings,

We bring to you an unique opportunity to support first responders through a remarkable organization - **Boots On The Ground** (BOTG).

This Ontario-based anonymous helpline is serving serving first-responders, nurses, and military personnel who have experience trauma and are seeking mental health support. Wellington County OPP is proud to have raised thousands of dollars in the many years this tournament has operated. We hope you'll help us this year.

The 2024 Wellington County OPP Charity Golf Tournament is scheduled for Tuesday Sept. 10th at Guelph Lakes Golf Course. All funds raised through player registration and sponsorship will go to BOTG.

To support this amazing organization, please consider:

- sponsoring the tournament - a variety of levels are included here
- registering a team
- donating prizes for the raffle table
- charitable donation

Player registration is \$150 each which includes golf, cart, bbq lunch and steak dinner. We are planning surprises and amazing prizes and encourage you to get your foursome booked before our **Early Bird Deadline July 31, 2024.**

If you are interested in playing or sponsoring (or both!) please contact us at 519-604-4919 or welloppgolf@gmail.com.

And thank you in advance for your support of the wellbeing of our first responders.
