

COUNTY OF WELLINGTON

Committee Report

To: Chair and Members of the Wellington County O.P.P. Detachment Board
From: Andrea Ravensdale, Communications Manager
Date: Wednesday, May 08, 2024
Subject: **2023 Wellington County O.P.P. Detachment Board Annual Report**

Background:

At the November 7, 2023, Wellington County O.P.P. Detachment Board Meeting, the Board expressed an interest in enhancing OPP related communication to County residents.

At the January 10, 2024, Wellington County O.P.P. Detachment Board Meeting, the Board approved a comprehensive Communication Plan, presented by the County's Communications Manager aimed at accomplishing this objective.

One of the items outlined in the Communications Plan was bringing back the O.P.P. Annual Report. Prior to the COVID-19 pandemic, the OPP Annual Report was an insert in the Wellington Advertiser from 2019. It was decided that a different version of the O.P.P. Annual report would be created by the County of Wellington's Communications Team, and a digital version would be made available online, and all three O.P.P. Detachments will have hard copied to distribute.

Recommendation:

That the attached 2023 Wellington County O.P.P. Detachment Board Annual Report be received for information.

Respectfully submitted,
